GOLF SCRAMBLE RULES

FORMAT: Nine-hole, two-person scramble tournament.

RULES: USGA golf rules will govern play. In a scramble format, both team members tee off on each hole and then decide which tee shot they like best and mark the spot with a tee or ball marker. The other player picks up his/her ball and places it within one club length (no closer to the hole) of the marked spot. Both players hit their shot from the chosen spot. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also. Putts need to be made within 6 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. If the ball you choose to play is in a hazard (sand, water, etc.), or in the rough, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away. Men will always tee off from the blue tees. Women may tee off from the red tees. *Each team member must use at least three tee shots during the nine holes. A mark is required on the scorecard to indicate whose tee shot was used—failure to do so will eliminate your team from all team awards.* All rules of etiquette and fair play should be followed during the tournament.

AWARDS: There will be overall team awards given to the top three teams. Individual awards will also be given for closest to the pin, longest putt made, and longest drive.

INDIVIDUAL COMPETITIONS:

Hole #4 - Longest Putt Made: This competition has **one** division. If your putt is the longest made, write your name on the marker card and place the marker in the ground on the spot from where you putted the ball. Once the marker has been placed in the ground, it should stay there until someone else makes a longer putt. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot. *If it is too close to call, use the flag as a measuring rod.*

Hole #3 & Hole #7 - Closest to the Pin: This competition has **one** division. If your tee shot is closest to the hole, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. Once the marker has been placed in the ground, it should stay there until someone else hits a closer shot. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot. *If it is too close to call, use the flag as a measuring rod.*

Hole #9 - Longest Drive: This competition has **one** division. *Women must tee from the blue tees to be eligible.* If your drive is the longest, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. The ball must be in the cut fairway to count. Once the marker has been placed in the ground, it should stay there until someone else hits a longer drive. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.

AWARDS PRESENTATION: Awards for the golf scramble can be picked up after noon on Thursday, May 25 in the Intramural Office, located in 145 Richards Building.
