CAPTAINS MEETING
A meeting for team captains (or a representative from each team) will be held Monday, May 8 at 4:00 PM in 267 Richards Building. Intramural policies and procedures will be discussed so it is important that all teams be represented at this meeting.

ELIGIBILITY
Spring 2017 full-time BYU students (6 credits), and faculty/staff are eligible. Part-time students, deferred students, non-students, and spouses of students must pay an intramural activity fee for each semester in which they participate. Non-BYU students must be active members of a Provo young single adult (YSA) or married student ward. Their membership records must reside in the YSA or married student ward they attend.

The intramural activity fee is paid at the Information Center in 112 Richards Building. The cost is $25.00 per semester during fall & winter and $20.00 for spring/summer. A BYU ID or BYU Net ID with a valid picture ID is required at time of payment. This fee will enable a participant to compete in any intramural activity during the appropriate semester/term.

To participate in a team sport, each player must be added to his online team roster by 3:00 PM for weekday games and by 3:00 PM on Friday for Saturday games. Team rosters are limited to twenty-four players. Each participant may play for only one Coed Softball team.

RELEASE AGREEMENT
All Intramural participants must complete an online release agreement before they can be added to a team roster. Release agreements are valid for one academic school year – fall semester through summer term.

SPIRIT OF SPORTSMANSHIP
“Athletics are explosive, as any of us know who have participated in them. The problem therefore, is to do everything that is fair and honorable to win, and also to know the line where sportsmanship stops and mockery starts. Stop short of winning if integrity is to be impaired…. Sportsmanship is the spirituality in athletics” (The Teachings of Ezra Taft Benson, 436-438).

Sportsmanship is everyone’s responsibility. We hope everyone will conduct himself in a mature and friendly manner. Team captains are responsible for the conduct of their players and spectators. The BYU Intramural Activities program has identified the following principles as our “Spirit of Sportsmanship” guidelines. We encourage all employees, participants, and spectators to incorporate these principles on and off the playing field.

1. Live with integrity: We believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men... (Thirteenth Article of Faith). Be consistent with who you are in all situations. “We are what we repeatedly do; excellence, then, is not an act but a habit” (Aristotle).

2. Be accountable: The gift of agency allows us the ability to choose right from wrong. Although we are free to choose our actions, we are not free to choose the consequences. Other people cannot determine our feelings or thoughts. We are each accountable for the things we do and say and should never blame others for our behavior.
3. **Live the Golden Rule:** *And as ye would that men should do to you, do ye also to them likewise* (Luke 6:31). “Good sportsmanship includes thoughtfulness and concern for others…humility in victory; and calmness and composure in defeat. It is fair play, following both the spirit and the letter of the rules. It is the Golden Rule in action on the playing court, on the bench, and in the stands” (Physical Fitness, Sports, & Recreation Manual. The Church of Jesus Christ of Latter-day Saints, 1984; 17).

4. **Play by the rules:** Do not push limits or escalate your level of physical play to match the style of enforcement. Playing to the call or whistle instead of by the established rules of the game is a violation of integrity and honesty. This style of play endangers the other players. Play hard, but play fair and honor the rules.

5. **Turn the other cheek:** If you begin to feel unsettled or agitated, take a personal timeout. Step back to gain composure and perspective. Retaliation does not solve conflict—it only compounds the situation. Be meek. *Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth…whosoever shall smite thee on thy right cheek, turn to him the other also* (Matt. 5: 38-39).

6. **Be gracious:** Compliment your opponent after a good play. Focus on the good. Build people up—do not tear people down. Be genuine when you congratulate your opponent. Demonstrate gratitude for the efforts of the officials and activity supervisors. *A soft answer turneth away wrath: but grievous words stir up anger* (Proverbs 15:1).

7. **Have fun:** *Men are, that they might have joy* (2 Nephi 2:25). Be safe, play fair, and enjoy the experience.

**YELLOW/RED CARD SYSTEM**

A yellow/red card system is used to monitor unsportsmanlike behavior and improper conduct. A participant who receives a yellow card will be required to sit out for one inning of game time. A participant who receives a red card will be ejected from the game and must leave the field before play resumes. A team with a carded player must play with one less player until the penalty time has expired (Yellow = 1 inning & Red = 2 innings).

The following are examples of yellow/red card offenses:

*Yellow Card:* Non-directional profanity; arguing; rough play; taunting.

*Red Card:* Illegal participation; directional profanity; flagrant contact; fighting; threatening behavior.

**TOURNAMENT INFORMATION**

There will be two divisions (upper & lower) for regular season play. Each activity has a classification process that is intended to place similarly skilled teams against each other for tournament competition. Teams will be given a ranking between 1 and 5 (5 being the highest) for each regular season game they play. To receive a 5 ranking, a team must be proficient in each of the following five criteria:

1. Intelligent and aggressive base running.
2. Consistent hitters that can place the ball.
3. Pitchers that can consistently throw strikes.
4. Team cleanly catches or fields batted balls.
5. Accurate throws to the right places.

At the conclusion of regular season play an overall average of each team’s rankings will be computed and eligible teams will be placed in the tournament division that best fits their ability. Important tournament dates are listed below.

- Tournament classification rankings will be posted by noon on Tuesday, May 30.
- Teams will have until noon on Thursday, June 1 to challenge classification rankings.
- Tournament brackets will be posted by Noon on Friday, June 2. ***
- Tournament play begins Saturday, June 3.
The tournament bracket posted on June 2 will include games from June 3 through June 10. Schedule requests for this time period must be submitted to the Intramural Office by 4:00 PM on Thursday, June 1. Tournament brackets may be viewed on the intramural web page or in the glass cases located next to the Intramural Office (145 Richards Building). **Posted game times will not be changed for personal conflicts.** Team captains should notify the Intramural Office **in advance** to avoid potential scheduling conflicts for their team(s). This can be done through the use of a schedule request form, which is available in the Intramural Office. This form must be submitted by 4:00 PM on Thursday for the following week’s schedule.

**RULES**

Intramural softball abides by the 2017 USSSA rules with the following exceptions or points of emphasis:

1. **Team Composition:** teams may consist of seven (minimum) and ten (maximum) players, and no more than five men.

2. **Game Duration:** Games will last five innings or 60 minutes. One inning consists of each team batting through their line-up once. When time expires or anytime during the fifth inning if it is determined that one team cannot score enough runs to tie or take the lead the game will be called.

3. **Overtime (tournament only):** A game that is tied at the end of regulation shall be continued by playing additional innings until one team has scored more runs than the other at the end of a completed inning, or it is determined that one team cannot score enough runs to tie or take the lead.

4. **Sportsmanship:** Any base runner crashing into a fielder in an attempt to dislodge the ball or prevent a double play will be called out and may be ejected from the game. Also any player who interferes with a throw may be called for interference. Any incident of either throwing the bat or presenting a fake tag may warrant a warning, a yellow card, or a red card depending on the severity of the act.

5. **Homerun Rule:** All fair untouched fly balls over-the-fence will be ruled an out.

6. **Batting:** Teams may bat seven to ten players and no more than five men. Players batting must also play the field during the same inning in which they bat.

7. **Last Batter:** Any out or time call during play on the last batter ends the team’s time at bat. This out may be made by a catch or force/tag.

8. **Runners Carry Over:** All base runners left on base after the last batter has batted, will carry over to the next inning.

9. **Substitutions:** All substitutions must take place at the top of the inning. Therefore, visiting team players who bat in the top half of the inning must also field in the bottom half of that inning and home team players who field in the top half of the inning must also bat in the bottom half of that inning. Courtesy runners are not permitted.

10. **Pitching:** Pitchers will pitch to their own team. The pitcher must be an eligible participant who is on the team roster. Teams may only substitute pitchers once per inning. Men will receive two pitches and women will receive three pitches. There will be no intentional walks. A foul ball hit off the last pitch is an out and is a dead ball by rule. The appropriate size ball must be used. There is no height limitation on pitches.
11. **Defensive Positioning**: Teams shall have no more than two men in the outfield, two men in the infield, and one man in the pitcher/catcher position. Prior to the ball being batted, defensive pitchers must be positioned within 10 feet of the pitcher’s mound. Infield players must be positioned behind the 50-foot arc and outfield players must be positioned behind the 150-foot arc before each pitched ball, and will not be allowed to cross their respective lines until the ball has been batted. NOTE: Violations to the 50 and 150-foot arcs will result in an automatic single or the result of the play, whichever the offensive team chooses.
