RULES

Intramural Pickleball abides by the USAPA & International Federation of Pickleball Rules with the following exceptions or points of emphasis:

1. The Serve:
 - A. Players use a coin toss to determine who will serve first. The winner of the coin toss will have the option to choose side or to serve or receive.
 - B. The serve must be made underhand.
 - C. Paddle contact with the ball must be below the server's waist (navel level).
 - D. The server is initiated with at least one foot behind the baseline; neither foot may contact the baseline or court until after the ball is struck.
 - E. The serve is made diagonally crosscourt and must land within the confines of the opposite diagonal court.
2. Service Sequence:
 - A. If the player's score is even (0, 2, 4 ...), the serve must be made from the right/even serving area and be received in the right/even service court by the opponent.
 - B. If the player's score is odd (1, 3, 5 ...), the serve must be made from the left/odd serving area and be received in the left/odd service court by the opponent.
 - C. After the server loses the rally or faults, a side out occurs and service is awarded to the opponent.

3. Scoring:
 - A. Points are scored only by the serving team.
 - B. Tournament games are played to 11 points win by 2, cap at 15. The best 2 out of 3 games will be played for tournament matches.
 - C. When the serving team's score is even (0, 2, 4, 6, 8, etc.) the player who was the first server in the game for that team will be in the right-side court when serving or receiving; when odd (1, 3, 5, 7, etc.) that player will be in the left-side court when serving or receiving.
4. Double-Bounce Rule:
 - A. When the ball is served, the receiving team must let it bounce before returning, and then the serving team must let it bounce before returning, thus two bounces.
 - B. After the ball has bounced once in each team's court, both teams may either volley the ball (hit the ball before it bounces) or play it off a bounce (ground stroke).
 - C. The double bounce rule eliminates the serve and volley advantage and extends rallies.
5. Non-Volley Zone:
 - A. The non-volley zone is the court area within 7 feet on both sides of the net.
 - B. Volleying is prohibited within the non-volley zone. This rule prevents players from executing smashes from a position within the zone.
 - C. It is a fault if, when volleying a ball, the player steps on the non-volley zone, including the line and/or when the player's momentum causes them or anything they are wearing or carrying to touch the non-volley zone including the associated lines.
 - D. It is a fault if, after volleying, a player is carried by momentum into or touches the non-volley zone, even if the volleyed ball is declared dead before it happens.
 - E. A player may legally be in the non-volley zone any time other than when volleying a ball.
 - F. The non-volley zone is commonly referred to as "the kitchen."
6. Line Calls:
 - A. A ball contacting any line, except the non-volley zone line on a serve, is considered "in."
 - B. A serve contacting the non-volley zone line is short and a fault.
7. Faults:
 - A. A fault is any action that stops play because of a rule violation.
 - B. A fault by the receiving team results in a point for the serving team.
 - C. A fault by the serving team results in the server's loss of serve or side-out.
 - D. A fault occurs when:
 - i. A serve does not land within the confines of the receiving court.
 - ii. The ball is hit into the net on the serve or any return.
 - iii. The ball is volleyed before a bounce has occurred on each side.
 - iv. The ball is hit out of bounds.
 - v. A ball is volleyed from the non-volley zone.
 - vi. A ball bounces twice before being struck by the receiver.
 - vii. A player, player's clothing, or any part of a player's paddle touches the net or the net post when the ball is in play.
 - viii. There is a violation of a service rule.
 - ix. A ball in play strikes a player or anything the player is wearing or carrying.
 - x. A ball in play strikes any permanent object before bouncing on the court.
