RULES

As part of the Run for Your Life Program, participants will be expected to complete one of the following:

- 150 miles of running
- 37.5 miles of swimming
- 450 miles of bicycling

Participants may complete a combination of these three sports for an equivalent of 150 miles running, which is the standard accepted by the Run for Your Life Program. The equivalent distances are as follows:

- 1 mile swimming = 4 miles running
- (35 Laps/70 Lengths - RB Pool = 1 mile)
- 3 miles bicycling = 1 mile running

Participants should plan to run 15 miles a week on average. Completion of these miles and eligible mileage reporting between the day of their personal registration and March 26, 2021 entitles a participant to an Intramural Champion T-shirt. All participants are on their honor to record miles and completion dates accurately. You must sign off your miles and pick up your shirt by 4:00 PM on March 26.

If you have any questions, contact the secretary in 145 RB (801-422-7597) or access our web page. intramurals.byu.edu
