Intramural Program Update – Spring/Summer 2021

The approved schedule of Spring/Summer Intramural Activities can be viewed on our webpage at: https://intramurals.byu.edu/activities.php

We have received approval from the University for our proposal to run team sports during Spring and Summer terms. In addition, we will continue to offer a variety of singles/doubles events. We are thrilled with this news and will be taking entries for events during the dates listed on the activity schedule.

COVID-19 GUIDELINES (as of April 14 – we are hopeful that some of these restrictions may be lifted as the COVID numbers decrease and vaccinations increase.)

- All participants must wear a face mask during the check-in process.
- Each participant will be required to show their BYU Healthy Together App daily symptoms check – a green screen is necessary for participation.
- Players on the court/field may remove their face masks – but should physically distance when possible.
- Sideline players and spectators are required to wear a face mask.

Thank you,

The Office of Intramural Activities
