RULES
In both classification and tournament play, one pro-set (8 games) will determine the winner. The first player to win four points wins each game in a pro-set, no "advantage" points are used. In the event of a tie at 8-8, a nine-point tiebreaker system will be employed (see details below). Other than the pro-set format, the ITF Rules of Tennis rules will apply.

Tiebreaker System. With team "A" having served the first game of the set, they serve points 1 & 2, right and left; then team "B" serves points 3 & 4, right and left. The teams change ends and team "A" then serves points 5 & 6 in the same order. Team "B" serves points 7 & 8, right and left and if the score reaches 4 points all, team "B" serves point 9, right or left at the election of team "A". The first team to win 5 points wins the game and set.
