Intramural Program Update – Winter 2021

The approved schedule of Winter semester Intramural Activities can be viewed on our webpage at: https://intramurals.byu.edu/activities.php

We have received approval from the University for our proposal to run in person singles/doubles events during Winter semester. We are thrilled with this news and will be taking entries for events during the dates listed on the activity schedule.

COVID-19 GUIDELINES
All participants must wear a face mask during the check-in process. Each participant will be required to show their BYU Healthy Together App daily symptoms check – a green screen is necessary for participation. Players on the court/field may remove their face masks – but must physically distance when possible. Spectators are not permitted.
